

Kyndal Inskeep - Parachute

tom:

Am

Always been afraid that love was only make believe
Every choice I've made seems to take the best of me away
So there is nothing left to say

Am
I was a fool

Made up some rules to stay here on the ground
It's always been when will it end
But then you came around and the next step
Has me staring at the edge

Am
Who knew

I'd be falling like I am with you
Heart's up in my throat that's what you do
Love is pretty scary when it's true
And oh-oh we know
Every step is like walking on a tight rope
Gravity is begging me to let go
Love is pretty scary when it's true
Afraid of height but you're my parachute

Am
Ever since we met

You've shown me how it's supposed to be
You carry on my mess
You know how much that means to me now

And somehow (and somehow)

G
We're high above the clouds

Oh-oh **Am**
Who knew

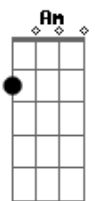

I'd be falling like I am with you **F**
Heart's up in my throat that's what you do **C**
Love is pretty scary when it's true **G**
And oh-oh we know **Am**
Every step is like walking on a tight rope **F**
Gravity is begging me to let go **C**
Love is pretty scary when it's true **G**
Afraid of height but you're my parachute **Am**
Afraid of height but you're my parachute **F**
Might as well sit back and enjoy the view **C**
G
Oh-oh-oh-oh
Am
You love me **C**
Oh, you love me
F
You love me
Oh, you love me
C
You love me **G**
Oh, you love me

Afraid of height but you're my parachute **Am**
You love me
Oh, you love me
F
You love me
Oh, you love me
C
You love me **G**
Oh, you love me

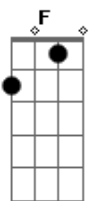

Afraid of height but you're my parachute **Am**
You love me
Oh, you love me
F
You love me
Oh, you love me
C
You love me **G**
Oh, you love me

Afraid of height but you're my parachute **Am**
