tom:

Intro: E Dbm Ab A

[primeira parte]

E Dbm  
This day is getting older  
Ab A  
In fading light it's beautiful  
E Dbm  
This wind is blowing colder  
Ab A  
And too soon i'll feel it's pull

E  
Still, i took all my chances  
Dbm  
Earned myself an even score  
Ab A  
Try to learn my lessons well  
E  
And i don't have the answers  
Dbm  
For those questions anymore  
Ab A  
Only love can be both heaven and hell

[refrão]

E Dbm  
So sturdy up, sturdy up your heart  
Ab A  
For the road is long ahead  
E Dbm  
I'll be with you even though we're apart  
Ab A  
But your road is yours to tread  
E Dbm  
And so it goes, and so it goes  
Ab A  
And so it goes, slows your mind, mind, mind  
E Dbm  
And so it goes and so it goes, and so it goes,

## Acordes
