

# La Roux - Cover My Eyes

Tom: Gb

Ebm B  
 No wonder I'm scared  
 Db  
 To look in your eyes  
 Ebm B  
 You've turned me away  
 Db  
 So many times  
 Ebm B  
 You can take it away  
 Db  
 At any given moment  
 Ebm B  
 It's hard to believe  
 Db  
 While you're in this disguise  
 B Ebm  
 So would you hold me please  
 Db  
 I'm trying hard to breathe  
 Abm  
 I'm just surviving  
 B Ebm  
 So would you hold me please  
 Db  
 I'm trying hard to breathe  
 Abm  
 Stop me from crying  
 Db B  
 When I see you walking with her  
 Gb Ebm  
 I have to cover my eyes  
 Db B  
 Every time you leave with her  
 Gb Ebm  
 Something inside me dies  
 Db

Something inside of me dies

Ebm B  
 No wonder it hurts  
 Db  
 To sit by your side  
 Ebm B  
 There's a different song  
 Db  
 I can play you tonight  
 Ebm B  
 We can break the pattern  
 Db  
 We can change the colour  
 Ebm B  
 You don't need to worry  
 Db  
 About the others  
 B Ebm  
 So would you hold me please  
 Db  
 I'm trying hard to breathe  
 Abm  
 I'm just surviving  
 B Ebm  
 So would you hold me please  
 Db  
 I'm trying hard to breathe  
 Abm  
 Stop me from crying  
 Db B  
 When I see you walking with her  
 Gb Ebm  
 I have to cover my eyes  
 Db B  
 Every time you leave with her  
 Gb Ebm  
 Something inside me dies  
 Db  
 Something inside of me dies

## Acordes
