

L.A.B. - In The Air

tom:

Intro: Dm C G Am Dm C G
 Dm C G Dm C G
 [Primeira Parte]

Ooh, I feel it everywhere
 It's cold breathing in the dark
 Take me on, I'll lead you there
 And call me, will you be far?
 I don't wanna let you down
 Slowly, but not too long
 Ooh, I feel it in the air
 You know me, I'll keep you on

(Dm C G Dm C G)
 (Dm C G Dm C G)

[Segunda Parte]

It's evident you want me now (Baby)
 My hearts beating on the floor
 I see it in the turn around
 You move me but I want more
 The memory is in the air (The memory is in the air)

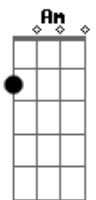

The music is all we need
 Ooh, I feel it, can't you see? (Can't you see? Ooh)
 You know me, I'll keep you there

(Dm C G Dm C G)
 [Ponte]

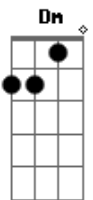

I get that feeling, can I take you on a ride? (Take you on a ride)
 Knowing what I know, I can see it baby in your eyes?
 'Cause it's cool when we're full 'til the morning from the early night, hey
 I can take a chance, loving your romance tonight
 [Terceira Parte]

Girl, you know you turn me on (Know you turn me on)
 I like it, oh, can't you see?
 The way your moving on the floor (Moving on the floor)
 The fire, the way you breathe
 Can I take you home tonight? (You can take me home tonight)
 We're flying beneath the sheets
 Holding on to make me strong (Ooh)
 Tonight is the night I need
 [Final] Dm C G Dm C G
 Dm C G Dm C G
