

## L.A.B. - In The Air

```
tom:
               Am
Intro: Dm C G Dm C G Dm C G
[Primeira Parte]
Ooh, I feel it everywhere
It's cold breathing in the dark
                Dm
Take me on, I'll lead you there
And call me, will you be far?
            Dm
I don't wanna let you down
Slowly, but not too long
            Dm
Ooh, I feel it in the air
You know me, I'll keep you on
( Dm C G Dm C G )
( Dm C G Dm C G )
[Segunda Parte]
It's evident you want me now (Baby)
My hearts beating on the floor
              Dm
I see it in the turn around
  С
            G
You move me but I want more
           Dm
The memory is in the air (The memory is in the air)
```

```
The music is all we need
Ooh, I feel it, can't you see? (Can't you see? Ooh)
You know me, I'll keep you there
( Dm C G Dm C G ) [Ponte]
Ooh, I get that feeling, can I take you on a ride? (Take you
                           Em
Knowing what I know, I can see it baby in your eyes?
'Cause it's cool when we're full 'til the morning from the
early night, hey
I can take a chance, loving your romance tonight
[Terceira Parte]
Girl, you know you turn me on (Know you turn me on)
I like it, oh, can't you see?
                   Dm
The way your moving on the floor (Moving on the floor)
The fire, the way you breathe
           Dm
Can I take you home tonight? (You can take me home tonight)
We're flying beneath the sheets
            Dm
Holding on to make me strong (Ooh)
Tonight is the night I need
[Final] Dm C G Dm C G Dm C G
```
