

Labi Siffre - My Song

tom:

C

This is my song
 And no one can take it away
 It's been so long, but now you're here
 Here to stay
 And I wonder if you know what it means
 To find your dreams come true

C7 F7 x4

[Verse 2]
 C F Em
 This is my song
 And no one can make it a lie
 It's been so long since someone
 Could make me cry
 And I wonder if you know what it means

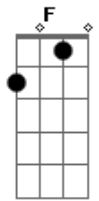

To laugh as tears go by

C7 F7 x2

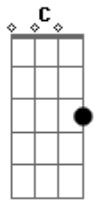

[Chorus]
 Em F
 I may not always sing in tune
 And sometimes you don't hear me
 But you don't have to be near me
 To know that I'm singing

[Verse 3]
 C F
 This is my song
 And nothing can make it die
 It's been so long and it's stronger
 I know why
 And I wonder if you really, really know
 That as long as I live I will sing my song for you
 [Final] C F C F
