

Lacuna Coil - Falling/Fallin Again

Tom: G

Reapeat this throughout Part 2

Since Falling and Falling Again are basically the same I decided to do $\,$

them both at the same time. The only differences are the end

and the heavy part in Falling Again. I have written all the different

guitar parts in the order in which they go then they repeat.

Tuning: E A D G B E

Part 3:

This measure comes at the very end of the chorus during the " \dots Im fallin' down" line.

Heavy Part in Falling Again:

The same thing applies to this measure as the one two measures up.
