```
            Dm                                    Bb
  There is something weird I wouldn't believe
                        G
  I'm losing grip on my lifetime
                Bb
  I don't understand this wave I'm in
Dm              Bb              G         Bb
  Wrong place, no money, just responsibilities

        Dm                        Bb
  My heart and my wish are so far away
          G
  I'm alone now
                  Bb
  Feeling the slow beat turning fast
Dm              Bb
  No longer breathing
          G                  Bb  A
