

# Lady Antebellum - As You Turn Away

Tom: **F**

**F**  
Standing face to face

Wrapped in your embrace  
**Bb**  
I Don't wanna let you go  
**F**  
But you're already gone

**F**  
Now you kiss my cheek

Soft and bittersweet  
**Bb**  
I can read it in your eyes  
**F**  
Baby, this is our goodbye

Refrão:  
**Dm**  
Nothing more to say  
**Am**  
Nothing left to break  
**Bb**  
I keep reaching out for you  
**F**  
Hoping you might stay

**Dm**  
Nothing more to give  
**Am**  
Nothing left to take  
**Bb**  
I keep reaching out for you  
**C**  
Reaching out for you

As you turn away **F**  
( **F** )

**F**  
Let go of my hand

So I can feel again  
**Bb**  
Nothing's going to hurt as much  
**F**  
As that final touch

**F**  
No we can't be friends

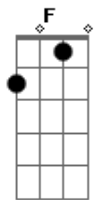

Cause I couldn't take seeing you  
**Bb**  
And knowing where we've been  
**F**  
I hope you understand

(Refrão)

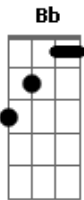

**Dm**  
One step my heart is breaking  
**Am**  
One more my hands are shaking  
**Dm**  
The door is closing  
**F** **C**  
And I just can't change it

**Dm**  
Nothing more to say  
**Am**  
Nothing left to break
