

Lady Antebellum - Dancing Away With My Heart

Tom: E

I finally asked you to dance

On the last slow song

And beneath the moon that was really a disco ball

I can still feel my head on your shoulder

Hoping that song would never be over

I haven't seen you in ages

Sometimes I find myself

Wondering where you are

For me you'll always be 18

And beautiful and dancing away with my heart

I brushed your curls back so I could see your eyes

And the way you moved me was like you were in my mind

I can still feel you lean into kiss me

I can't help but wonder if you ever miss me

I haven't seen you in ages

Sometimes I find myself

Wondering where you are

For me you'll always be 18

And beautiful and dancing away with my heart

Oh you headed out to college

At the end of that summer when we lost touch

I guess I didn't realize even at that moment we lost so much
