

Lady Antebellum - If I Knew Then

Tom: E

(intro) E Ebm Dbm Ebm

(verse 1)

The first time that i saw you, lookin' like you did
We were young, we were restless, just two clueless kids
But if i knew then, what i know now, i'd fall in love

(verse 2)

On a bus in chicago, three rows to the left
You know my heart was racing for you, but we never even met
But if i knew then, what i know now, i'd fall in love

(refrão)

'cause love only comes, once in a while
Knocks on your door and throws you a smile
And takes every breath, leaves every scar
Speaks to your soul, and sings to your heart
And if i knew then, what i know now, i'd fall in love

(verse 3)

On a sunny night in august, backseat of my car
Instead of tryin' to get to know you, i took it way too far

But if i knew then, what i know now, i'd fall in love, oh

(refrão)

'cause love only comes, once in a while
Knocks on your door and throws you a smile
And takes every breath, leaves every scar
Speaks to your soul, and sings to your heart
And if i knew then, what i know now, i'd fall in love

(bridge)

And oh i used up a lot of chances, i can't get them back
But if again it comes callin', i'm gonna make it last

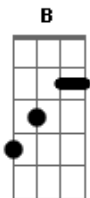

(refrão)

'cause love only comes, once in a while
It knocks on your door and throws you a smile
And takes every breath, leaves every scar
Speaks to your soul, and sings to your heart
And if i knew then, what i know now
Whoa, if i knew then, what i know now

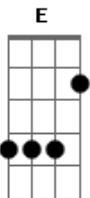

(outro)

i'd fall in love.
