

Lady Antebellum - Love This Pain

Tom: B

(com acordes na forma de Capotraste na 4ª casa (capo 4ª casa) G)

(intro 2x) Em7 D C (Cadd9)

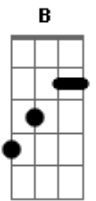

She's no good for me
 I know that she's a wild flower
 She's got a restlessness
 A beautifulness, a thing about her
 But here I am again calling her back
 Letting her drive me crazy
 It's like I love this pain a little too much
 Love my heart all busted up
 Something 'bout her, we just don't work
 But I can't walk away
 It's like I love this pain
 It's just an on again
 And off again situation
 It's just striking a match
 A tank of gas combination
 But here I am again lighting it up

Knowing that she'll just burn me
 It's like I love this pain a little too much
 Love my heart all busted up
 Something 'bout her, we just don't work
 But I can't walk away
 It's like I love this pain
 It's like I love this life
 When nothing's right, yeah something's wrong
 It's like I'm just not me
 If I can't be a sad, sad song
 (single strums)
 It's like I love this pain a little too much
 Love my heart all busted up
 (normal strumming)
 Something 'bout her, we just don't work
 But I can't walk away
 It's like I love this pain
 Oh yeah, it's like I love this pain
 I can't walk away, oh no
 It's like I love this pain
