

# Lady Antebellum - What If Never Get Over You

Tom: G  
Intro: G Am F C

[Primeira Parte]

It's supposed to hurt, it's a broken heart  
But to movin' on is the hardest part  
It comes in waves, the letting go  
But the memory fades, everybody knows

Everybody knows

[Refrão]

What if I'm tryin'  
But then I close my eyes  
And then I'm right back  
Lost in that last goodbye?  
And what if time doesn't do  
what it's supposed to do?  
What if I never get over you?

[Segunda Parte]

Maybe months go by, maybe years from now  
And I meet someone and it's workin' out  
Every now and then, he can see right through  
'Cause when I look at him  
Yeah, all I see is you

[Refrão]

What if I'm tryin'  
But then I close my eyes

And then I'm right back  
Lost in that last goodbye?  
And what if time doesn't do  
what it's supposed to do?  
What if I never get over you?  
[Ponte]  
What if I never get over?  
What if I never get closure?  
What if I never get back on the wasted words I told ya?  
What if It never gets better?  
What if this lasts forever and ever and ever?

[Refrão]

I'm tryin', but then I close my eyes  
And then I'm right back  
Lost in that last goodbye?  
And what if time doesn't do  
what it's supposed to do?  
What if I never get over you?  
What if I gave? (What if I gave?)  
Everything I got  
What if your love was my one and only shot?  
What if I end up with nothing to compare it to  
What if I never get over? (Oh, if I never get over)  
What if I never get over you?
