

Lady Antebellum - When You Got a Good Thing

Tom: Ab

(com acordes na forma de F)
Capotraste na 3ª casa
Intro:

Everybody keeps tellin' me I'm such a lucky man
Lookin' at you standin' there I know I am
Barefooted beauty with eyes that blue
The sunshine sure looks good on you, I swear
Oh, I can't believe I finally found you, baby
Happy ever after, after all this time
Oh, there's gonna be some ups and downs
But with you to wrap my arms around, I'm fine
So, baby, hold on tight, don't let go
Hold onto the love we're makin'
'Cause baby when the ground starts shakin'
You gotta know when you've got a good thing
You know you keep on bringin' out the best in me
And I need you now even more than the air I breathe
You can make me laugh when I wanna cry

This will last forever I just know, I know
So, baby, hold on tight, don't let go
Hold onto the love we're makin'
'Cause baby when the ground starts shakin'
You gotta know when you've got a good thing
We got a good thing, baby,
woah
(D G Em7 D)
So, hold on tight, baby, don't let go
Hold onto the love we're makin'
'Cause baby, when the ground starts shakin'
You gotta know, oh, you gotta know
Oh you gotta know, you gotta know when you got a good thing
Mmmh,
We got a good thing, baby, oh, oh
(C D Em7) (5x)
Woah, woah
