

# Lady Antebellum - When You Got a Good Thing

Tom: Ab

(com acordes na forma de F )  
Capotraste na 3ª casa  
Intro:

Everybody keeps tellin' me I'm such a lucky man  
Lookin' at you standin' there I know I am  
Barefooted beauty with eyes that blue  
The sunshine sure looks good on you, I swear  
Oh, I can't believe I finally found you, baby  
Happy ever after, after all this time  
Oh, there's gonna be some ups and downs  
But with you to wrap my arms around, I'm fine  
So, baby, hold on tight, don't let go  
Hold onto the love we're makin'  
'Cause baby when the ground starts shakin'  
You gotta know when you've got a good thing  
You know you keep on bringin' out the best in me  
And I need you now even more than the air I breathe  
You can make me laugh when I wanna cry

This will last forever I just know, I know  
So, baby, hold on tight, don't let go  
Hold onto the love we're makin'  
'Cause baby when the ground starts shakin'  
You gotta know when you've got a good thing  
We got a good thing, baby,  
woah  
( D G Em D )  
So, hold on tight, baby, don't let go  
Hold onto the love we're makin'  
'Cause baby, when the ground starts shakin'  
You gotta know, oh, you gotta know  
Oh you gotta know, you gotta know when you got a good thing  
Mmmh,  
We got a good thing, baby, oh, oh  
( C D Em ) (5x)  
Woah, woah
