

Lady Gaga - 1000 Doves (piano demo)

tom:

A

[Primeira Parte]

I need you to listen to me, please believe me

I'm completely lonely, please don't judge?me

When?your tears are?falling, I'll catch them as they?fall

I need you to listen to me, please don't leave me

I'm not perfect yet, but I'll keep trying

When your tears are falling, I'll catch them as they fall

[Pré-Refrão]

'Cause inside, we are really made the same

In life, waiting's just a stupid game

[Refrão]

Lift me up, give me a start

'Cause I've been flying with some broken arms

Lift me up, just a small nudge

And I'll be flying like a thousand doves

[Pós-Refrão]

Flying like a thousand, flying like two thousand

Flying like ten thousand doves

Flying like a thousand, flying like two thousand

Flying like ten thousand doves

[Segunda Parte]

I'd do anything if you would just believe me

I am human, invisibly bleeding

When your smile is shaking, I'll catch you as you fall

If I had a painter's mind, then I would paint it

Or a sculptor's hands, then I would shape it

But instead, I guess I'll sing it in this song

[Pré-Refrão]

I cry more than I ever say

Each time, your love seems to save the day

[Refrão]

Lift me up, give me a start

'Cause I've been flying with some broken arms

Lift me up, just a small nudge

And I'll be flying like a thousand doves

[Pós-Refrão]

Flying like a thousand, flying like two thousand

Flying like ten thousand doves

Flying like a thousand, flying like two thousand

Flying like ten thousand doves
