

Lady Gaga - Alice

```
But I'll keep looking
                           tom:
              Bm
                         Gbm
My name isn't Alice
                                                              Take me home
But I'll keep looking, I'll keep looking for
                                                                   Bm Gbm
Wonderland
                                                              Take me home
  Bm
My name isn't Alice
But I'll keep looking, I'll keep looking for
Wonderland, Wonderland
(Bm Gbm D E)
Ah, ah, ah, ah
Ah, ah, ah, ah (ah)
Set me free (ah-ah-ah)
Ah, ah, ah, ah
                                                                Bm
Ah, ah, ah, ah (ah)
                                                                     D
Set me free (ah-ah-ah)
                                                               Bm
                 Gbm
Could you pull me out of this alive?
Ah, ah, ah, ah, ah, ah
                                                              Wonderland
                Gbm
Where's my body? I'm stuck in my mind
                                                                   Bm Gbm
                                                              Take me home
Ah, ah, ah, ah, ah, ah
                                                                   D
(Oh ma-ma-ma, oh ma-ma-ma)
                                                              Take me home
Gbm
I'm tired of screaming
(Oh-ma-ma-ma, oh-ma-ma-ma)
                                                              Take me home
                                                                  D
At the top of my lungs
(Oh m-mother, oh m-mother)
                                                              Take me home
                                                                 D E
I'm in the hole, I'm falling down, down
So down, down
My name isn't Alice
But I'll keep looking,
I'll keep looking for Wonderland
  Bm
           Gbm
My name isn't Alice
                                                              Set me free ah-ah-ah
```

Acordes

```
I'll keep looking for Wonderland, Wonderland
Take me to Wonderland, Wonderland
Take me to Wonderland, Wonderland
Sick and tired of waking up
Screaming at the top of my lungs
Think I might've just left myself behind
Maestro, play me your symphony
I will listen to anything
Take me on a trip, DJ, free my mind
My name isn't Alice
But I'll keep looking, I'll keep looking for Wonderland
My name isn't Alice
But I'll keep looking, I'll keep looking for Wonderland,
Take me to Wonderland, Wonderland
   Bm Gbm
Take me to Wonderland, Wonderland
    Bm Gbm
Take me to Wonderland, Wonderland
Take me to Wonderland, Wonderland
Bm Gbm D E
Ah, ah, ah, ah
Ah, ah, ah, ah ah
Set me free ah-ah-ah
Ah, ah, ah, ah
Ah, ah, ah, ah ah
