

# Lady Gaga - Animal

Tom: G

You have got a wi-ld side,  
 Your an animal tonight,  
 I see that you are my type,  
 Wild like a tiger, hunting the prey we'll keep,  
 The neighbors up all night,  
 Hot in the jungle,  
 Exotic apparel,  
 I can see the way that your lookin at me,  
 Like your hungry and I am the only thing that u see,  
 Wont tame you love the way your watching me(watch-i-ing me),  
 Baby imma keep you up all night gonna tie you up incase you bite  
 Animal animal  
 My animal animal  
 Baby imma lock you in my cage and I wont stop until you behave
