

Lady Gaga - Artpop

Tom: **F**

Dm
Come to me, in all your glamour, and **Bb**
F
Just do that thing that you do
C **Dm**
And I'll undress you

Dm **Bb**
Give it time, sometimes the simplest move is right
F
The melody that you choose
C **Dm**
Can rescue you?

Dm **Bb**
A hybrid can withstand these things
F
My heart can beat with bricks and strings
C **Dm**
My artpop could mean anything

Refrão:

Dm
We could, we could, belong together (artpop)
Bb
We could, we could, belong together (artpop)
F **C**
We could, we could, belong together (artpop)
Dm
ARTPOP, ARTPOP

Dm **Bb**
Come to me, without a sub-tech and fantasy
F
Just do that thing that you do
C **Dm**
For my love is you

Dm **Bb**
Lover's kites are flown on beaches for public sight
F
The color pallete you choose
C **Dm**
And profit you

Dm **Bb**
A hybrid can withstand these things
F
My heart can beat with bricks and strings
C **Dm**
My artpop could mean anything

Dm **Bb**
Could try to sell you out or I
F
Could show all the reasons why
C **Dm**
My artpop could mean anything

Refrão:

Dm
We could, we could, belong together (artpop)
Bb
We could, we could, belong together (artpop)
F **C**
We could, we could, belong together (artpop)
Dm
ARTPOP, ARTPOP

Dm **Bb**
Brushes of darkness won't help you create your destiny in a self
F
But Artpop could mean anything
C **Dm**
Anything
Dm **Bb**
I try to sell myself, but I am really laughing
F
Because I just love the music not the bling
C **Dm**
Music not the bling

Refrão:

Dm
We could, we could, belong together (artpop)
Bb
We could, we could, belong together (artpop)
F **C**
We could, we could, belong together (artpop)
Dm
ARTPOP, ARTPOP

Dm
We could, we could, belong together (artpop)
Bb
We could, we could, belong together (artpop)

Free my mind, ARTPOP

You make my heart stop
