

# Lady Gaga - Brown Eyes

Tom: Bb

(intro 2x) Bb Dm Eb Cm

(verse 1)

In your brown eyes, walked away

In your brown eyes, couldn't stay

In your brown eyes, you watch her go

Then turn the record on and wonder what went wrong, what went wrong

(chorus)

If everything was everything, but everything is over

Everything could be everything, if only we were older

Guess it's just a silly song about you

And how I lost you and your brown eyes

(verse 2)

In your brown eyes, I was feeling low

Cause the brown eyes, and you'll never know

Got some brown eyes, but I saw her face

I knew that it was wrong, so baby turn the record on, play that song

(repeat xhorus)

(chorus 2)

Everything was everything, but baby it's the last show

Everything could be everything, but it's time to say goodbye

So get your last fix and your last hit, grab your old, go with the new trix

Honey, yeah, It's no surprise that I got lost in your brown eyes

In your brown eyes

Broooooown, broooown eyes

In your brown eyes

Broooooown, broooown eyes
