E

(Oh, disco heaven)

Throw your head back, girly

Throw it like those girls in the movies

We got a show to put on your dress

Take a minute for us and relax, relax

The ball is turning, 300 mirrors burning

Through the hearts of the crowd

In the back hipsters banging the track

Acordes

To the music, the music

Oh the lights still on, we're dancing
Yeah the floor is shaking
In this disco heaven
(Oh, disco heaven)
Disco heaven

(Oh, disco heaven)

Oh the lights still on, we're dancing
Yeah the floor is shaking
In this disco heaven
(Oh, disco heaven)
Disco heaven

(Oh, disco heaven)

Oh we got that disco
D-I-S-C-O
And we're in heaven
H-E-A-V-E-N
Disco heaven

Feels just like heaven
Disco heaven
Disco heaven
Line up for the dance
Yeah bring those fancy pants
Y'know there's disco in the air
And hairspray everywhere
A disco heaven
A disco heaven
Disco heaven
Disco heaven

Oh the lights still on, we're dancing
Yeah the floor is shaking
In this disco heaven
(Oh, disco heaven)
Disco heaven

(Oh, disco heaven)

Oh the lights still on, we're dancing
Yeah the floor is shaking
In this disco heaven
(Oh, disco heaven)
Disco heaven
