

# Lady Gaga - Enigma

tom:

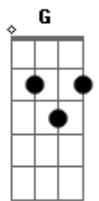

<sup>A</sup>  
Open-minded, I'm so blinded  
<sup>G</sup>  
Mystery man, woman phantom  
<sup>A</sup>  
Violet light smears the atmosphere  
<sup>G</sup>  
I'm so scared, but I'm standing here  
  
<sup>F</sup> <sup>G</sup> <sup>A</sup>  
Is what I am seeing real, or is it just a sign?  
<sup>F</sup> <sup>G</sup>  
Is it all just virtual?  
  
<sup>A</sup> <sup>F</sup>  
We could be lovers, even just tonight  
<sup>G</sup>  
We could be anything you want  
<sup>A</sup> <sup>F</sup>  
We could be jokers, brought to the daylight  
<sup>G</sup>  
We could break all of our stigma  
  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma  
<sup>G</sup>  
I'll, I'll be your enigma  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma  
<sup>G</sup>  
I'll, I'll be your enigma  
  
<sup>A</sup>  
Can't stop staring, I'm so naked  
<sup>G</sup>  
Wrapped in shadows, my heart races  
<sup>A</sup>  
Dragon's eyes watch, goddess breathing  
<sup>G</sup>  
Give me something to believe in  
  
<sup>F</sup> <sup>G</sup> <sup>A</sup>  
Is what I am seeing real, or is it just a sign?

<sup>F</sup> <sup>G</sup>  
Is it all just virtual?  
  
<sup>A</sup> <sup>F</sup>  
We could be lovers, even just tonight  
<sup>G</sup>  
We could be anything you want  
<sup>A</sup> <sup>F</sup>  
We could be jokers, brought to the daylight  
<sup>G</sup>  
We could break all of our stigma  
  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma  
<sup>G</sup>  
I'll, I'll be your enigma  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma  
<sup>G</sup>  
I'll, I'll be your enigma  
<sup>F</sup>  
Did you hear what I said? (What?)  
<sup>G</sup>  
Did you hear what I said? (Yeah)  
<sup>A</sup>  
Is it all in my head?  
<sup>A</sup>  
Is it all in my head? (Ooh, yeah)  
<sup>F</sup> <sup>G</sup>  
Is it all in my head?  
  
<sup>A</sup> <sup>F</sup>  
We could be lovers, even just tonight  
<sup>D</sup>  
We could be anything you want  
<sup>A</sup> <sup>F</sup>  
We could be jokers, brought to the daylight  
<sup>D</sup>  
We could break all of our stigma  
  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma, even just tonight  
<sup>G</sup>  
I'll, I'll be your enigma, brought to the daylight  
<sup>A</sup> <sup>F</sup>  
I'll, I'll be your enigma, even just tonight  
<sup>G</sup>  
I'll, I'll be your enigma, brought to the daylight, daylight
