Lady Gaga - Fever

```
(intro) Ab Db Ab Db
There he goes
My baby walks so slow
Sexual tic-tac-toe
Yeah, I know we both know
         Dh
It isn't time
But would you be m-mine?
We'll never get too far
Just you, me and the...
In a ménage à trois sometimes
            Dh
Would he be mine?
Would he be mine?
            Db
Would you be mine?
Oh baby, lights on
But your mom's not home
    Gb
I'm sick of laying down alone
          Ab
With this fever, fever yeah
My one and own
                  Gb
Now I'm gonna get you alone
```

Acordes

```
Give you a fever, fever yeah
same chord progression as first verse
There it goes
You stole my soul and so
'Cause, sweetheart
They're occupied
Tell me you'll be mine
Let's get inside your car
Just you, me and the stars
Kind of ménage à trois
Sometimes
Would he be mine?
Would he be mine?
Could you be mine?
Oh baby, lights on But your mom's not home
I'm sick of laying down alone
With this fever, fever yeah
I want it all
Now I'm gonna get you alone
Give you a fever, fever yeah
Yeah, yeah, yeah
             Dh
Ah
Yeah, yeah, yeah
             Db
Yeah, yeah, yeah
Db
Yeah
