

## Lady Gaga - Gypsy

```
Tom: C

Sometimes a story has no end,
Sometimes I think that we could just be friends.
Cuz I'm a wandering man he said to me.
And what about our future plans?
Does this thing we have even made sense.
When I got the whole world in front of me?
So I said,
I don't wanna be alone forever, but I can be tonight,
I don't wanna be alone forever But I love gypsy life .
I don't wanna be alone forever Maybe we could see the world
together.
I don't wanna be alone forever But I can be Tonight.
Tonight.
So I just packed my baggage and,
Said goodbye to family and friends.
And took a road to nowhere on my own.
Like Dorothy on a yellow brick,
Hope my ruby shoes get me there quick.
Cuz I left everyone I love at home.
Dm
I don't wanna be alone forever, but I can be tonight,
I don't wanna be alone forever But I love gypsy
                                                   Am
I don't wanna be alone forever Maybe we could see the world
together.

I don't wanna be alone forever But I can be Tonight (Would you
go with me?).
Tonight (See the world with me?).
Cause I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,
I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,
I'm I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,
I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm.
And then he asked me, he said 'Baby Why do we love each
other?'
I said 'Honey, it's simple, it's the way that you love and
treat your mother'.
Thought that I would be alone forever But I won't be tonight.
I'm a man without a home, but I think with you I could spend
my life.
Dm
And you'll be my little gypsy princess, Pack your backs and we
can chase the sunset!
Bust the rear view and fire up the jets, it's you and me,
Baby, for life (if you go with me).
          \mathsf{Am}
For life (see the world with me).
Cause I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,
I'm I'm I'm I'm I'm a Gypsy, Gypsy, Gypsy, I'm,
Russia, UK, Paris, I'm Italian, Asia combined
Africa, India, I'm a Gypsy, Gypsy, Gypsy, I'm
Latin american, I, dont speak german but I try,
Some day in Jakarta, I'm American, I'm Gypsy, I'm,
Bangkok, Australia, Malasia, Sweden, Finland, Norway
Be my home just for the day. I'm Gypsy, Gypsy, Gypsy, hey.
