tom:

[Primeira Parte]

**Am** **C**  
I'm acting in this play of  
**G** **F**  
Comedy with tragic words  
**Am** **C**  
The audience was smilin'  
**G** **F**  
Cheerin' on a scene absurd

[Pré-Refrão 1]

**D** **Fm**  
I can try to hide behind the makeup, but the show must go on

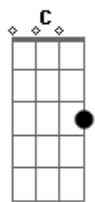

[Refrão 1]

**C** **E**  
I feel so crazy  
**F**  
My head is filled with broken mirrors  
**C**  
So many, I can't look away  
**C** **E**  
I'm in a bad way  
**F**  
If I could fix the broken pieces  
**C**  
Then I'd have a happy mistake

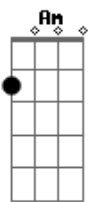

[Segunda Parte]

**Am** **C**  
A lonely disposition  
**G** **F**  
Portraits of a strung-out girl  
**Am** **C**  
How'd I get so addicted  
**G** **F**  
To the love of the whole world?
