

# Lady Gaga - Hold My Hand

tom:

G

Hold my hand

D

Everything will be okay

Em C

I heard from the Heavens that clouds have been grey

G

Pull me close

D

Wrap me in your aching arms

Em C

I see that you're hurtin', why'd you take so long

Am

To tell me you need me?

G

I see that you're bleedin'

Em D

You don't need to show me again

Am

But if you decide to

G

I'll ride in this life with you

Em D

I won't let go till the end

G D

So cry tonight

Em C

But don't you let go of my hand

G D

You can cry every last tear

Em C

I won't leave till I understand

Em C

Promise me, just hold my hand

G

Hold my hand, hold my?

D

Hold my hand, my hand

Em

I'll be right here

C

Hold my hand

G

Hold my hand, hold my?

Hold my hand, my hand

Em

I'll be right here

C

Hold my hand

Am G

I know you're scared and your pain is imperfect

But don't you give up on yourself

Am G

I've heard a story, a girl, she once told me

That I would be happy again

Hold my hand
