

# Lady Gaga - Lovedrug

tom:  
 Need your <sup>Em</sup> love, your love <sup>C</sup> drug, your love <sup>G</sup> drug  
 Need your love <sup>D</sup> drug

<sup>Em</sup> River in my eyes, I've got a poem in my throat  
 I hear the music and it takes me by surprise  
<sup>Em</sup> Pictures in my mind, they come on faster than they go  
 Another round, hopin' this one will make me blind

<sup>C</sup> I know this time  
 I won't escape these thoughts in my head  
<sup>C</sup> I need you tonight  
 But I'm gonna fight the feeling instead

<sup>Em</sup> I don't wanna feel, I don't wanna cry  
 So I'm gonna dance until I feel alright  
<sup>Em</sup> I just need a dose of the right stuff  
<sup>G</sup> I just need a hit of your love drug  
<sup>Em</sup> I don't wanna feel, I don't wanna cry  
 So I'm gonna dance until I feel alright  
<sup>Em</sup> I just need a dose of the right stuff  
<sup>G</sup> I just need a hit of your love drug

<sup>C</sup> Your love drug

<sup>Em</sup> Thought we'd last a lifetime, when I'm mumbling alone

<sup>G</sup> I taste the last words that you spoke to me like wine  
<sup>Em</sup> My heart is in a bind, if I could bear it on my own  
<sup>G</sup> I wouldn't try so hard to numb what's left behind

<sup>C</sup> I know this time  
<sup>G</sup> I won't escape these thoughts that I dread  
<sup>C</sup> I need you tonight  
<sup>Em</sup> But I'm gonna fight the feeling instead

<sup>Em</sup> I don't wanna feel, I don't wanna cry  
 So I'm gonna dance until I feel alright  
<sup>Em</sup> I just need a dose of the right stuff  
<sup>G</sup> I just need a hit of your love drug  
<sup>Em</sup> I don't wanna feel, I don't wanna cry  
 So I'm gonna dance until I feel alright  
<sup>Em</sup> I just need a dose of the right stuff  
<sup>G</sup> I just need a hit of your love drug  
 Love drug

<sup>Em</sup> - <sup>C</sup> - <sup>G</sup> - <sup>D</sup>  
 Need your love, your love drug, your love drug

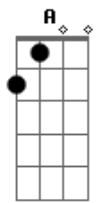

Need your love drug, need your love drug

<sup>G</sup> Love drug

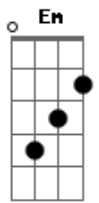

<sup>Em</sup> - <sup>C</sup> - <sup>G</sup> - <sup>D</sup>  
 I just need a dose of the right stuff

I just need a hit of your love drug
