

# Lady Gaga - Sexxx Dreams

Tom: Eb

**Ab**  
 Last night  
**Cm**  
 Our lovers' quarrel  
  
 I was thinking about you  
**Ab** **Cm**  
 Hurts more than I can say  
  
 And it was kinda dirty  
**Ab**  
 All night  
  
 And the way that you looked at me  
**Cm**  
 Help me, help  
**Ab**  
 Help me, help  
  
 It was kinda trashy  
  
**Cm**  
 Cause I can't help my mind from going there  
**Ab**  
 Heard your boyfriend was away this weekend  
**Cm**  
 Wanna meet at my place?  
**Ab**  
 Heard that we both got nothing to do  
  
 And I lay in bed, I touch myself and think at you  
  
**Cm Ab**  
 Last night  
**Bb**  
 Damm, you were in my sexxx dreams  
**Cm Ab**  
 (You were in my)  
**Bb**  
 Doin' really nasty things  
**Cm Ab Bb**  
 (You were in my dreams)  
  
 Damm, you were in my sexxx dreams  
**Cm Ab**  
 (You were in my)  
**Bb**  
 Makin' love in my sexxx dreams  
**Cm Ab**  
 Don't stop the party  
**Bb**  
 (Making love in our sexxx dreams)  
  
 Damm, you were in my sexxx dreams  
**Cm Ab**  
 (You were in my)  
**Bb**  
 Makin' love in my sexxx dreams  
**Cm Ab**  
 Don't stop the party  
**Bb**  
 (Making love in our sexxx dreams)  
  
**Ab** **Cm**

We could be caught  
  
 I just want this to be perfect  
**Ab** **Cm**  
 We're both convicted criminals of thought  
 Cuz I'm broken  
**Ab** **Cm**  
 Let's white glove the bed (by the one before)  
  
 He was kinda nasty  
**Ab**  
 Help me, help  
 And feels so trashy  
**Cm**  
 Cause we can't hide the evidence in our heads  
  
**Ab**  
 Heard your boyfriend was away this weekend

 Makin' love in my sexxx dreams  
**Cm Ab**  
 Don't stop the party  
**Bb**  
 (Making love in our sexxx dreams)  
**Cm Ab Bb**  
 Tomorrow I run into to you  
**Cm Ab Bb**  
 Tomorrow I run into to you  
  
**Fm**  
 You could turn a stone  
**Bb** **Cm** **Cm Ab Bb**  
 Or the color of a man petrified by a woman  
**Fm** **Bb**  
 In love as I am when I lay with you  
**Cm**  
 I can't believe I'm telling you this  
 But I've had a couple of drinks and oh my god
