Tom: C
Intro: (63 50 52) C C Am Am Am F Gb G

Of all my wrecked up friends
I can't believe what you said to me
I'll never talk again
Last night when we were alone
Oh boy you've left me speechless
You threw your hands up
You've left me speechless, so speechless
Baby you gave up, you gave up
I'll never love again,
Oh friend you've left me speechless
You've left me speechless, so speechless
(G Gb F)
And after all the drinks and bars that we've been to
Would you give it all up?
