

# Lady Gaga - Speechless

tom:  
Am  
I can't believe what you said to me  
G  
Last night when we were alone  
F  
You threw your hands up  
G  
Baby you gave up, you gave up  
Am  
I can't believe how you looked at me  
G  
With your James Dean glossy eyes  
F  
In your tight jeans with your long hair  
G  
And your cigarette stained lies  
Am Em G  
Could we fix you if you broke?  
F  
And is your punch line just a joke?  
C G Am  
I'll never talk again  
G F  
Oh boy you've left me speechless  
G  
You've left me speechless, so speechless  
C G Am  
I'll never love again  
G F  
Oh boy you've left me speechless  
G  
You've left me speechless, so speechless  
Am  
I can't believe how you slurred at me  
G  
With your half wired broken jaw  
F  
You popped my heart seams  
G  
On my bubble dreams, bubble dreams  
Am  
I can't believe how you looked at me  
G  
With your Johnnie Walker eyes  
F  
He's gonna get you and after he's through  
G Am  
There's gonna be no love left to rye  
Am Em  
And I know that it's complicated  
F  
But I'm a loser in love, so baby  
G  
Raise a glass to mend

All the broken hearts  
C  
Of all my wrecked up friends  
C G Am  
I'll never talk again  
G F  
Oh boy you've left me speechless  
G  
You've left me speechless, so speechless  
C G Am  
I'll never love again  
G F  
Oh friend you've left me speechless  
G  
You've left me speechless, so speechless  
F E  
And after all the drinks and bars that we've been to  
C  
Would you give it all up?  
G Am G F  
Could I give it all up for you?  
F E  
And after all the boys and girls that we've been  
Through  
C  
Would you give it all up?  
G  
Could you give it all up?  
Am F  
If I promise, boy, to you  
C G Am F  
That I'll never talk again  
C G Am F  
And I'll never love again  
C G Am  
I'll never write a song  
G F  
Won't even sing along  
C  
I'll never love again  
G Am F G  
H-ooooooooow... So speechless  
F G  
You left me speechless, so speechless  
C G Am  
Will you ever talk again?  
G F  
Oh boy, why you so speechless?  
G  
You've left me speechless, so speechless  
C G Am  
Some men may follow me  
G F  
But you choose "death and company"  
G C  
Why you so speechless? Oh oh oh
