

Lady Gaga - The Beast

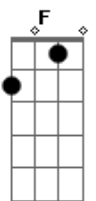

tom:
 Turn on the music
 Am I touch your face 'cause I see panic,
 F who rang the alarm?
 I see you shivering, your eyes are red,
 C Your soul is gone
 You're out of breath, tick-tock, tick-tock,
 Em You're almost out of time, yeah, yeah
 Am Because at midnight,
 F there's a change in you that I have heard
 You've kept this secret for so long,
 C You whisper and it burns
 You're out of breath, tick-tock, tick-tock,
 Em You're almost out of time, yeah, yeah
 Am You can't hide who you are, eleven fifty-nine
 F Your heart's racin', you're growlin'
