

Lady Gaga - The Beast

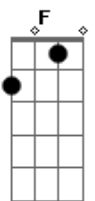

tom:
 Turn on the music
 I touch your face 'cause I see panic,
 who rang the alarm?
 I see you shivering, your eyes are red,
 Your soul is gone
 You're out of breath, tick-tock, tick-tock,
 You're almost out of time, yeah, yeah
 Because at midnight,
 there's a change in you that I have heard
 You've kept this secret for so long,
 You whisper and it burns
 You're out of breath, tick-tock, tick-tock,
 You're almost out of time, yeah, yeah
 You can't hide who you are, eleven fifty-nine
 Your heart's racin', you're growlin'
 and we both know why
 Yeah, we both know why
 Turn on the music, turn off the lights
 I wanna feel the beast inside
 I know you're hungry, ready to bite
 I wanna watch you turn tonight
 I wanna feel the beast inside
 The girls are scared of you,
 a legend in your neighborhood
 Last week, you left somebody dead,

it's all misunderstood
 You got your hands a little red, tick-tock,
 you're out of time, oh, yeah, ooh
 You can't hide who you are, eleven fifty-nine
 Your heart's racin',
 You're growlin' and we both know why
 Yeah, we both know why
 Turn on the music, turn off the lights
 I wanna feel the beast inside
 I know you're hungry, ready to bite
 I wanna watch you turn tonight
 I wanna feel the beast inside
 [Solo]
 Ah, Oh, yeah
 You can't hide who you are, eleven fifty-nine
 You can't hide who you are, eleven fifty-nine
 You can't hide who you are, eleven fifty-nine
 Turn on the music, turn off the lights
 I wanna feel the beast inside
 I know you're hungry, ready to bite
 I wanna watch you turn tonight
 I wanna feel the beast
 I wanna feel the beast
 I wanna feel the beast insi-----ide
 I wanna feel the beast inside
