                  Gb
        [Primeira Parte]

Gb              B
I look back over all my years
Gb                         B
Don't regret the smile, just tear
           Gb                  B
Then you came a long, long ways to me
                   Gb          B  Bbm  Abm
You showed me all the love inside of me

[Pré-Refrão]

                     Bbm          B       Bbm
And you touched my life, you make the heavens sing
Abm          Bbm           B
You are so nice, sweeter than anything

[Refrão]

Gb        Gb7          B
Is that a star? Is it a melody?
Gb              B
You got my heart, you got my heart
Gb        Gb7          Bm
I'm incomplete without you, Melody
Gb        Gb7        B
You love me for real   You love me for real

[Segunda Parte]

Gb                       B
```
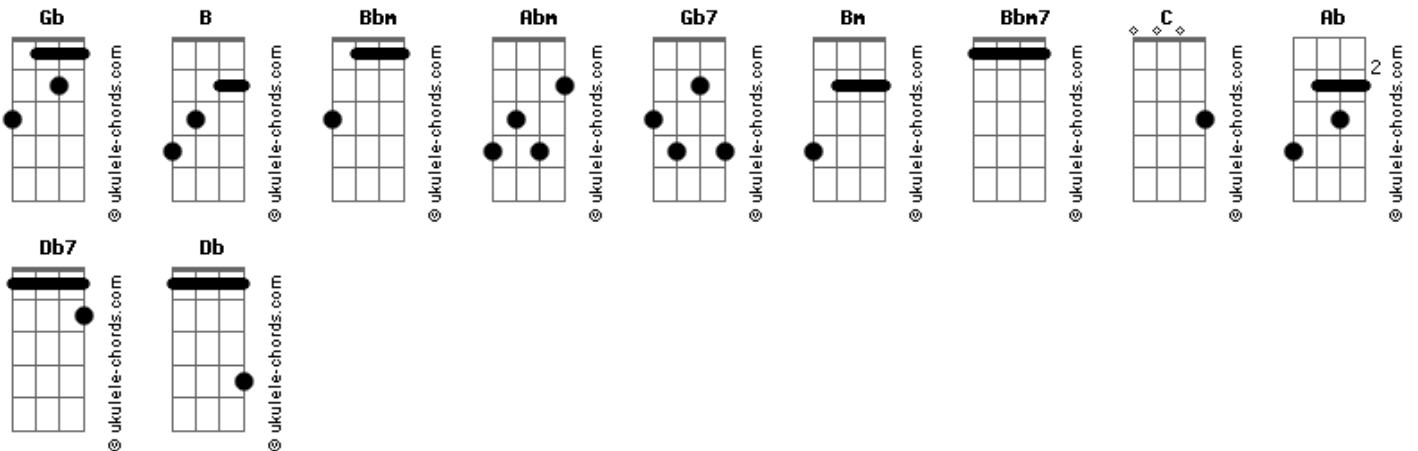

```
You give me more, more than I ev?r need
Gb        Gb7          B
I'm so blessed you're min?
                  Gb            B
When you came a long, long ways to me
              Gb        B  Bbm  Abm
I gave up all my life for you to be

              Bbm          B      Bbm
You give me joy, I can't remember the tears
Abm          Bbm        B      Bbm7  Abm
All of this joy, it matters more than fear
Gb
Mom, is that a star?
