A belém pra ver Jesus!

Assim é a estrela do sertão

Guiando o sertanejo a salvação!

Pregando o evangelho em amor

Cuidando do corpo e dá alma do pecador!

Como aquela estrela que guiou os magos

A belém pra ver Jesus!

Assim é a estrela do sertão

Guiando o sertanejo a salvação!

Fortalecendo a igreja do senhor

Que sofre com a seca e a fome na região
