[Primeira Parte]

There's no better place  
There's no better time  
To respond with surrender  
'Cause You put Your love on the line

[Segunda Parte]

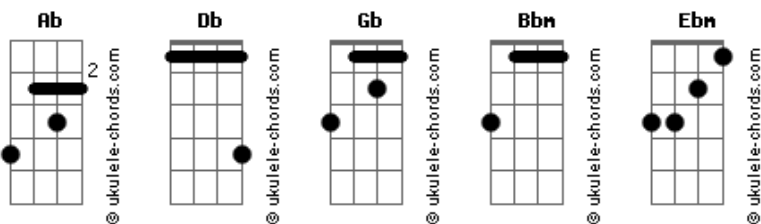

Here in this moment  
Be lifted high  
Lord I offer my heart  
And worship Your glory divine

[Refrão]

Come like the wind  
Fall like the rain  
Oh Holy Spirit  
Inhabit this place  
We give You the room  
Lord have Your way  
Oh Holy Spirit  
Inhabit our praise  
Fo-----revermore

[Terceira Parte]

Come do whatever You want to
