

Lamb - Wise Enough

tom: F#m

[Primeira Parte]

Gbm E Dbm D
I had a dream that all of time was running dry
Gbm E Dbm D
And life was like a comet falling from the sky
Gbm E Dbm D
I woke so frightened in the dawning, oh so clear
Gbm E Dbm
How precious is the time we have here

[Refrão]

Gbm E
Are we not wise enough to give all we are?
Gbm Dbm
Surely we're bright enough to outshine the stars
D Gbm Gbm
The human kind gets so lost in finding its way
D Gbm E Gbm
But we have a chance to make a difference til our dying day
(Gbm E Dbm D)

[Segunda Parte]

Gbm E
And you might pray to God
Dbm D
Or say it's destiny
Gbm E
But I think we are just hiding
Dbm D

All that we can be

[Refrão]

Gbm E
Are we not wise enough to give all we are?
Gbm Dbm
Surely we're bright enough to outshine the stars
D Gbm Gbm
The human kind gets so lost in finding its way
D Gbm E Gbm
But we have a chance to make a difference til our dying day
[Ponte]

Gbm E
All I'm really asking is: what are we doing here?
Gbm E
Are we just killing time? Just living year to year?
D E Gbm E
In this big world, no one else can play our part
D E Gbm
Ain't it time to just wake up and give it all
[Refrão]
