

Lamek Randel - Stay Forever

Tom: **D**

Bm
I can hear your voice
G **A**
Flowing through the wind
Bm
Lovingly whispering words
G **A**
Now I know what they mean

Bm
But it's too late I know
G **A**
I've lost you like a hell
Bm
This is my time to grow
G **A**
Without you I can't do it well

G **Gb**
I want you-u to live
Bm **A**
Beyond my imagination
G **Gb**
You could be more than my dreams and
Bm **A**
So I ask you to stay with me

Bm
Stay here forever
G **A**
Right here where you've been
Bm **G** **A**
Stay with me forever

Bm
Stay with me forever
G **A**
Right here where you've been
Bm **G** **A**

Stay here forever

Bm
I can feel your heart
G **A**
Overflowing passion
Bm
I could be there but I'm dying
G **A**
Why I'm not by your side?

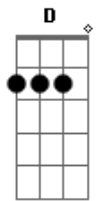

Bm
Oh darling, I thought it would be strong
G **A**
That I could live without you
Bm
But I was very wrong
G **A**
I have nothing without you!

G **Gb**
I want you-u to live
Bm **A**
Beyond my imagination
G **Gb**
You could be more than my dreams and
Bm **A**
So I ask you to stay with me

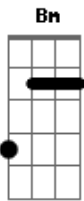

Bm
Stay here forever
G **A**
Right here where you've been
Bm **G** **A**
Stay with me forever

Bm
Stay with me forever
G **A**
Right here where you've been
Bm **G** **A**
Stay here forever
