tom:
G

I go ATVing A G

I can turn a party out of every night D

I still talk to Jesus, yes A G

But I still call up psychics when I need advice D

I still fly commercial A

You need an autograph? Shit, I don't mind G D

If you want the secret to success A G

I suggest showing up in a Ross dress D

I got 57.5 million listeners on Spotify A G D

Roger Miller made 'em laugh A G D

I guess some folks still like to cry A

I ain't got a man, but maybe one of them is a fan of mine A G D

In that 57.5 million listeners on Spotify A G D

I hate everybody A G

Lately, feels like everybody's loving me D

Kinda feels like sugar A G

Sprinkled on the same wound they cut too deep D

Doesn't really matter (ooh) A G

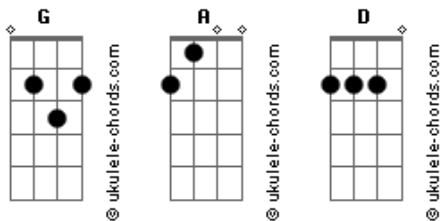

They mind their own business, and I'll mind mine D

If you want the secret to success A G

I suggest stop hit it big time D

I've got 57.5 million listeners on Spotify A G D
