[Primeira Parte]
White flowers, cinnamon on my teeth
   Gbm
And I'm sittin' at a stoplight in northern town
                                                              Ghm
I feel lucky

I drive somewhere out of range, I don't know where
White noise comin' out of my brain
Turns off for nothin'
[Pré-Refrão]
                                                              Bm
Rockefella, my umbrella
God, I love you, baby
Storyteller, us forever
Is my favorite song

[Segunda Parte]
Sittin' on the sofa, feelin' sup?r suicidal
Hate to say the word, but, baby, hand on the Bible, I do
Feel like it's you the one who's bringin' me down
Thought that we were cool
We were kickin' it like Tribe Called Quest
You're the best, but, baby, you've been bringin' me down
            R
I can see it now
