

# Lana Del Rey - Freak

Tom: **Ab**

Verse:

**Fm** **Ab** **Bbm** **Db - C**  
 Flames so hot that they turn blue,  
**Fm** **Ab** **Bbm** **Db** **C**  
 palms reflecting in your eyes, like an endless summer.  
**Fm** **Ab** **Bbm** **Db - C**  
 That's the way I feel for you,  
**Fm** **Ab** **Bbm**  
 If time stood still, I'd take this moment  
**Db** **C**  
 make it last forever.

Pre-Chorus:

**Fm** **Ab** **Bbm** **Db** **C**  
 Your halo's full of fire, I'm rising up, rising up.  
**Fm** **Ab** **Bbm**  
 My heart love's full of fire, love's full of fire,

Chorus:

**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.  
**Fm** **Bbm**  
 Screw your anonymity, loving me is all you need to feel  
**Db - C**  
 Like I do.  
**Fm** **Cm**  
 We could slow dance to rock music, kiss while we do it,  
**Ab** **Db** **C**  
 Talk 'til we both turn blue.  
**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.

Verse 2:

**Fm** **Ab** **Bbm** **Db** **C**  
 Leather black and eyes of blue (Blue, blue, blue)  
**Fm** **Ab** **Bbm** **Db** **C**  
 Sun reflecting in your eyes, like an easy rider,  
**Fm** **Ab** **Bbm** **Db - C**  
 Life makes sense when I'm with you  
**Fm** **Ab** **Bbm** **Db** **C**  
 Looking back my past, it all seems stranger than a stranger

Pre-Chorus:

**Fm** **Ab** **Bbm** **Db** **C**  
 So let's dance in slow motion, tear it up, tear it up.  
**Fm** **Ab** **Bbm**

Let's dance by the ocean, ah, ah.

Chorus:

**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.  
**Fm** **Bbm**  
 Screw your anonymity, loving me is all you need to feel  
**Db - C**  
 Like I do.  
**Fm** **Cm**  
 We could slow dance to rock music, kiss while we do it,  
**Ab** **Db** **C**  
 Talk 'til we both turn blue.  
**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.

Bridge:

**Ab** **Cm** **Fm**  
 Oh, You're cold as ice baby, but when you're nice, baby,  
**Dbm**  
 it's so amazing in every way.  
**Ab** **Cm** **Fm**  
 Oh, You're cold as ice baby, I don't wanna fight, baby,  
**Dbm** **Eb**  
 it's like I told you; If you stay, I'll stay, yeah.

Chorus:

**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.  
**Fm** **Bbm**  
 Screw your anonymity, loving me is all you need to feel  
**Db - C**  
 Like I do.  
**Fm** **Cm**  
 We could slow dance to rock music, kiss while we do it,  
**Ab** **Db** **C**  
 Talk 'til we both turn blue.  
**Fm**  
 Baby, if you wanna leave, come to California,  
**Bbm** **Db - C**  
 be a freak like me too.
