

Lana Del Rey - Freak

Tom: **Ab**

Verse:

Fm **Ab** **Bbm** **Db - C**
 Flames so hot that they turn blue,
Fm **Ab** **Bbm** **Db** **C**
 palms reflecting in your eyes, like an endless summer.
Fm **Ab** **Bbm** **Db - C**
 That's the way I feel for you,
Fm **Ab** **Bbm**
 If time stood still, I'd take this moment
Db **C**
 make it last forever.

Pre-Chorus:

Fm **Ab** **Bbm** **Db** **C**
 Your halo's full of fire, I'm rising up, rising up.
Fm **Ab** **Bbm**
 My heart love's full of fire, love's full of fire,

Chorus:

Fm
 Baby, if you wanna leave, come to California,
Bbm **Db - C**
 be a freak like me too.
Fm **Bbm**
 Screw your anonymity, loving me is all you need to feel
Db - C
 Like I do.

Fm **Cm**
 We could slow dance to rock music, kiss while we do it,
Ab **Db** **C**
 Talk 'til we both turn blue.

 Baby, if you wanna leave, come to California,
Bbm **Db - C**
 be a freak like me too.

Verse 2:

Fm **Ab** **Bbm** **Db** **C**
 Leather black and eyes of blue (Blue, blue, blue)

 Sun reflecting in your eyes, like an easy rider,
Fm **Ab** **Bbm** **Db - C**
 Life makes sense when I'm with you
Fm **Ab** **Bbm** **Db** **C**
 Looking back my past, it all seems stranger than a stranger

Pre-Chorus:

Fm **Ab** **Bbm** **Db** **C**
 So let's dance in slow motion, tear it up, tear it up.
Fm **Ab** **Bbm**

Let's dance by the ocean, ah, ah.

Chorus:

Fm
 Baby, if you wanna leave, come to California,

 be a freak like me too.

 Like I do.
