

Lana Del Rey - Goodbye Kiss

tom:

Intro: **G** **C** **D** **C**

G
Doomed from the start

C
We met with a goodbye kiss

G
I broke my wrist

It all kicked off I had no choice

C
You said that you didn't mind

G
Cause love's hard to find

Am **F**
Maybe the days we had are gone

Am
Living in silence for too long

F
Open your eyes and what do you see

D
No more laughs

Dm
No more photographs

G
Turning slowly

Em
Looking back, see

C
No words can save this

D
You're broken and I'm pissed

G
Run along like I'm supposed to

Em
Be the man I ought to

C
Rock and Roll sent us insane

D
I hope someday that we will meet again

G
Running wild

C
Giving it everyone

G
Now that's all done

Am **F**
Maybe the days we had are gone

Am
Living in silence for too long

F
Open your eyes and what do you see

D
No more laughs

Dm
No more photographs

G
Turning slowly

Em
Looking back, see

C
No words can save this

D
You're broken and I'm pissed

G
Run along like I'm supposed to

Em
Be the man I ought to

C
Rock and Roll sent us insane

D
I hope someday that we will meet again

G
You go your way

Em
And I'll go my way

C
No words can save us

D
This lifestyle made us

G
Run along like I'm supposed to

Em
Be the man I ought to

C
Rock and Roll sent us insane

D
I hope someday that we will meet again
