G

C

Do you want me or do you not?

Am

I heard one thing, now I'm hearing another

C

Dropped a pin to my parking spot

Am

The bar was hot, it's 2am, it feels like summer

Em

Happiness is a butterfly, try to catch it like every night

Em

It escapes from my hands into moonlight

Em

Everyday is a lullaby, hum it on the phone like every night

Em

And sing it for my babies on the tour life, ah-ah ah

C

If he's a serial killer, then what's the worst

C

That could happen to a girl who's already hurt, I'm already hurt

C

If he's as bad as they say, then I guess I'm cursed

F

Looking into his eyes, I think he's already hurt, he's already hurt

C

I said, "Don't be a jerk, don't call me a taxi"

E7

Sitting in your sweatshirt, crying in the backseat

Am

Ooh ooh-ooh ooh-ooh, I just wanna dance with you

C

Hollywood and Vine, Black Rabbit in the alley

E7

I just wanna hold you tight down the

Am

Avenue-hoo-hoo hoo, I just wanna dance with you

C

I just wanna dance, baby, I just wanna dance

C

Dance, baby, I just wanna dance

(With you)

(With you)

C

Left the canyon, drove to the club

Am

I was one thing, now I'm being another

C

Go down to Sunset in my truck

Am

I'll pick you up if you're in town, I'm coming, ah-ah ha-ha

Em

Happiness is a butterfly, we should catch it while dancing

Em

I lose myself in the music, ba-by

Em

Everyday is a lullaby, try to catch it like lightning

Em

I sing it into my music, I'm cra-zy

C

If he's a serial killer, then what's the worst
