

# Lana Del Rey - I Can Fly

Tom: F

I <sup>Bb C</sup> Can Fly <sup>Bb C</sup>  
 You had me caged up like a bird in mid-summer <sup>C</sup>  
 You saw me waiting I was crazy on fire waiting to fly <sup>Bb</sup>  
 I Can Fly <sup>C</sup> <sup>Bb C</sup>

I had <sup>Bb</sup> bright wishes in the summer, I was bathing in sunlight <sup>C</sup> <sup>Bb</sup>  
 I was painting in the garden like a ghost in Mid-July <sup>C</sup> <sup>Bb</sup>  
 Running fast from something with my eyes wide like <sup>C</sup>  
 Saucers spinning in the sun <sup>C</sup>

I had a dream that I was fine <sup>Bb</sup> <sup>C</sup>  
 I wasn't crazy, I was divine <sup>Bb</sup> <sup>C</sup>

I <sup>Bb C</sup> Can Fly <sup>Bb C</sup>  
 You had me caged up like a bird in mid-summer <sup>C</sup>  
 You saw me waiting I was crazy on fire waiting to fly <sup>Bb</sup>  
 I Can Fly <sup>C</sup> <sup>Bb C</sup>

Your lies were hard kisses in the summer <sup>Bb</sup> <sup>C</sup>  
 I was dreaming of a lake <sup>Bb</sup>  
 Dreaming of the water where I'd rise like a Phoenix <sup>C</sup> <sup>Bb</sup>

Or an iron from the fire <sup>Bb</sup> <sup>C</sup>  
 I've got things to tell you like I know that you're a liar <sup>C</sup>

I had a dream that I was fine <sup>Bb</sup> <sup>C</sup>  
 I wasn't crazy, I was divine <sup>Bb</sup> <sup>C</sup>

I <sup>Bb C</sup> Can Fly <sup>Bb C</sup>  
 You had me caged up like a bird in mid-summer <sup>C</sup>  
 You saw me waiting I was crazy on fire waiting to fly <sup>Bb</sup>  
 I Can Fly <sup>C</sup> <sup>Bb C</sup>

Your words cut like a knife and butter <sup>Bb</sup> <sup>C</sup>  
 I was fighting for my art <sup>Bb</sup>  
 Fighting with my lover, you had me so tied up <sup>C</sup> <sup>Bb</sup>  
 Thinking there's no other <sup>C</sup>  
 Yeah, right <sup>Bb</sup>  
 Yeah, right <sup>C</sup>

I <sup>Bb C</sup> Can Fly <sup>Bb C</sup>  
 You had me caged up like a bird in mid-summer <sup>C</sup>  
 You saw me waiting I was crazy on fire waiting to fly <sup>Bb</sup>  
 I Can Fly <sup>C</sup> <sup>Bb C</sup>  
 ( <sup>Bb C</sup> <sup>Bb C</sup> ) 6x
