

Lana Del Rey - If You Lie Down With Me

tom:
 Put your red boots on
 Baby, giddy up
 Baby wants a dance
 Baby gets away
 Dreamy nights
 Talk to me with that whiskey breath
 Twirl me twice
 I'll treat you like a holiday
 [Pré-Refrão]
 And don't say you're over me
 When we both know that you ain't
 Don't say you're over me
 Baby, it's already too late
 Just do what you do best with me
 [Refrão]
 Dance me all around the room
 Spin me like a ballerina, super high
 Dance me all around the moon
 Light me up like the 4th of July
 Once, twice, three times
 The guy I never thought I would meet, so
 Don't say you're over me
 When we both know that you lie
 [Pré-Refrão]
 If you lie down right next to me
 Lie, lie, lie, lie, lie, lie, lie, lie, lie
 If you lie down right next to me
 Lie, lie, lie, lie, lie, lie, lie, lie, lie

When you lie down right next to me
 [Segunda Parte]
 Get your jacket on
 Be a gentleman
 Get into your truck
 And pick me up at 8
 'Cause we were built for
 The long haul freight train
 Burnt by fire
 Without hot like a stowaway
 [Pré-Refrão]
 And don't say you're over me
 When they all know that you ain't
 If you lay down right next to me
 [Refrão]
 Dance me all around the room
 Spin me like ballerina super high
 Dance me all around the moon
 Like six times 'till I'm sick and I cry
 Once, twice, three times
 The guy I never thought I would meet, so
 Don't say you're over me
 When they all know that you're lying
 [Pré-Refrão]
 If you lie down right next to me
 Lie, lie, lie, lie, lie, lie, lie, lie, lie
 If you lie down right next to me
 Lie, lie, lie, lie, lie, lie, lie, lie, lie
 When you lie down right next to me
 [Final]
