

# Lana Del Rey - Looking For America

Tom: G

Took a trip to San Francisco  
 All our friends said we would jive  
 Didn't work, so I left for Fresno  
 It was quite the scenic drive  
 Pulled over to watch the children in the park  
 We used to only worry for them after dark  
  
 I'm still looking for my own version of America  
 One without the gun, where the flag can freely fly  
 No bombs in the sky, only fireworks when you and I collide  
  
 It's just a dream I had in mind  
 It's just a dream I had in mind  
 It's just a dream I had in mind

I flew back to New York City  
 Missed that Hudson River line  
 Took a train up to Lake Placid  
 That's another place and time, where  
 I used to go to drive-ins and listen to the blues  
 So many things that I think twice about before I do, no no  
  
 I'm still looking for my own version of America  
 One without the gun, where the flag can freely fly  
 No bombs in the sky, only fireworks when you and I collide  
  
 It's just a dream I had in mind  
 It's just a dream I had in mind  
 It's just a dream I had in mind  
 It's just a dream I had in mind
