[Primeira Parte]

D

You took my sadness out of context

Am

At the Mariners apartment complex

G D

I ain't no candle in the wind

D

I'm the board, the lightning, the thunder

Am

Kind of girl who's gonna make you wonder

G D

Who you are and who you've been

[Pré-Refrão]

D

And who I've been is with you on these beaches

Am

Your Venice bitch, your die-hard, your weakness

G D

Maybe I could save you from your sins

D

So, kiss the sky and whisper to Jesus

Am

My, my, my, you found this, you need this

G D

Take a deep breath, baby, let me in

[Refrão]

Am G D

You lose your way, just take my hand

Am G D

You're lost at sea then I'll command your boat to me again

Am G D

Don't look too far, right where you are, that's where I am

Am G D

I'm your man

Am G D

I'm your man

[Segunda Parte]

D

They mistook my kindness for weakness

Am

I fucked up, I know that, but Jesus

G D

Can't a girl just do the best she can?

D

Catch a wave and take in the sweetness

Am

Think about it, the darkness, the deepness

G D

All the things that make me who I am

[Pré-Refrão]

D

And who I am is a big time believer

Am

That people can change, but you don't have to leave her

G D

When everyone's talking, you can make a stand

D

'Cause even in the dark I feel your resistance

Am

You can see my heart burning in the distance

G D

Baby, baby, baby, I'm your man, yeah

[Refrão]

Am G D

You lose your way, just take my hand

Am G D

You're lost at sea then I'll command your boat to me again

Am G D

Don't look too far, right where you are, that's where I am

Am G D

I'm your man

Am G D

I'm your man

(Am G D)

(Am G D)

(Am G D)

(Am G D)

D

Catch a wave and take in the sweetness

Am G D

Take in the sweetness, you want this, you need this

Am G D

Are you ready for it, are you ready for it, are you ready for it?
