Tom: **Gb**

(forma dos acordes no tom de **E**)
Capostrate na 2ª casa

[Verso 1]

D
You took my sadness out of context
Am
At the Mariners apartment complex
G **D**
I ain't no candle in the wind

D
I'm the board, the lightning, the thunder
Am
Kind of girl who's gonna make you wonder
G **D**
Who you are and who you've been

[Pre-Refrão 1]

D
And who I've been is with you on these beaches
Am
Your Venice bitch, your die-hard, your weakness
G **D**
Maybe I could save you from your sins

D
So, kiss the sky and whisper to Jesus
Am
My, my, my, you found this, you need this
G **D**
Take a deep breath, baby, let me in

[Refrão]

Am **G** **D**
You lose your way, just take my hand
Am **G** **D**
You're lost at sea then I'll command your boat to me again
Am **G** **D**
Don't look too far, right where you are, that's where I am
Am **G** **D**
I'm your man
Am **G** **D**
I'm your man

[Verso 2]

D
They mistook my kindness for weakness
Am
I fucked up, I know that, but Jesus
G **D**
Can't a girl just do the best she can?

D
Catch a wave and take in the sweetness
Am
Think about it, the darkness, the deepness
G **D**
All the things that make me who I am

[Pre-Refrão 2]

D
And who I am is a big time believer
Am
That people can change, but you don't have to leave her
G **D**
When everyone's talking, you can make a stand

D
'Cause even in the dark I feel your resistance
Am
You can see my heart burning in the distance
G **D**
Baby, baby, baby, I'm your man, yeah

[Refrão]

Am **G** **D**
You lose your way, just take my hand
Am **G** **D**
You're lost at sea then I'll command your boat to me again
Am **G** **D**
Don't look too far, right where you are, that's where I am
Am **G** **D**
I'm your man
Am **G** **D**
I'm your man

(**Am** **G** **D**)
(**Am** **G** **D**)

D
Catch a wave and take in the sweetness
Am **G** **D**
Take in the sweetness, you want this, you need this
Am **G** **D**
Are you ready for it, are you ready for it, are you ready for it?
