

Lana Del Rey - Poetry In Motion

tom:
Ab (forma dos acordes no tom de G)
Capostrate na 1ª casa

[Verse 1]

A Gbm
Winter's coming in the air tonight
E Bm
Feel it blowin' off the park
A Gbm
But that don't mean that we can't take a ride
E Bm
60 Miles to seaside heights

[Pre-Chorus]

E Bm
I want the same old thing again, 'cause it don't feel old
E Bm
That there's no need to reinvent you, you're sensational

[Chorus]

A Gbm
You're poetry in motion, swinging with your saxophone in the rain

What's this devotion? I never felt love, not from pain
Bm E

Bodies or oceans, you lift mine up with your right rain
A

Because you're like poetry in motion
Gbm

Sippin' on your martini in the band
What's this devotion? You really feel like a good man
Bm E

Bodies or oceans, I cling to you like your mainland
