Verse:
D **C** **D** **D** **C** **D**
You are what you are, I don't matter to anyone.
C **Bm**
But Hollywood legends will never grow old,
C **Bm**
and all of what's hidden, well it will never grow cold.

Chorus:
D **Am7**
But I lost myself when I lost you,
C **Bm**
and I still got jazz when I've got those blues.
D **Am7**
And I lost myself when I lost you,
C **Bm**
and I still get trashed darling when I hear your tunes.

Verse 2:
D **C** **D** **D** **C** **D**
But you are who you are, I won't change you for anything,
C **Bm**
For when you are crazy, I'll let you be bad.
C **Bm**
I'll never dare change thee to what you are not.

Chorus:
D **Am7**
But I lost myself when I lost you,
C **Bm**
and I still got jazz when I've got those blues.
D **Am7**
I lost myself when I lost you too,
C **Bm**
and I still get trashed baby, when I hear your tunes.

Bridge:
A **G**
I put the radio on hold you tight in my mind
Isn't strange that you're not here with me.
A **G**
But I know the lights on in the television
Trying to transmit, can you hear me?
Bm **A** **G**
Ground control to Major Tom,
A **Bm**
Can you hear me all night long?
A **G**
Ground control to Major Tom.

Chorus:
D **Am7**
But, I lost myself when I lost you,
C **Bm**
But I still got jazz when I've got those blues.
D **Am7**
And I lost myself and I lost you too,
C **Bm**
and I still get trashed honey, when I hear your tunes.
D **C** **D**
Mmmmmmm... (2x)
